Welcome back to Term 2!

We hope you had a happy and restful Easter Break filled with fun and chocolate. We have an exciting and busy start to this Term. In week 2 we are headed off to the Melbourne for our Cluster Camp. We will be doing heaps of fun stuff and we can't wait!

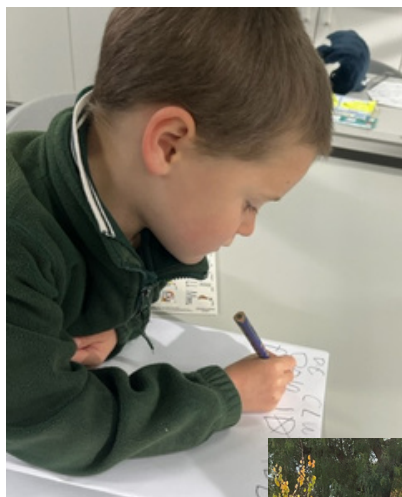

We have also been busy practicing for Athletics Day in week 4. This year we are super excited to be hosting our Cluster at Natte! A massive thank you to Louis from Amphi and Garran from Navarre for coordinating this massive event and to our School Council who have been helping with this.

We are also looking forward to catching up with parents to celebrate student learning and set new goals during our parent, student, teacher conferences.

Principal,  
Natte Yallock PS

We acknowledge and pay respect to the Dja Dja Wurrung people, the past, present and future Traditional Custodians and Elders of this nation and the continuation of cultural, spiritual and educational practices of Aboriginal and Torres Strait Islander peoples.

## Parent/Student/Teacher Conferences

We will be holding conferences on Tuesday 7th May. We love having a dedicated time with families where we can celebrate student learning growth and achievements.

Discussing the 'where to and how to next' are also incredibly important and we always value your input. No one knows your child like you do.

## CYC Camp - Melbourne

With our Melbourne Camp just around the corner we ask that you please label all items being brought on camp and that your child is familiar with the openings/ fastenings. It's very helpful, particularly during pack up time.

We have loads of fun things planned including a ferry ride along the Yarra, a Science works show, a tour of the Art Gallery, a visit to the Shrine of Remembrance, we will also be heading to the MCG, Melbourne Museum and Skydeck. Its fair to say its going to be a busy three days!

## Athletics Day - Thursday 9th May

Our Cluster Athletics Day is fast approaching and we have been busy practicing. Thank you to Lucy Zimmer for finding time in her day to come out and help us hone our skills.

We are lucky enough to be hosting this year at the Recreation Reserve.

**We will have a Working Bee at the Reserve on Wednesday 8th May.** If you can spare any

time to come help out we would be very appreciative. Many hands make light work!
