What a wild few weeks it has been, with crazy weather conditions and all that entails. Thank you families for your understanding during Catastrophic fire days, where our school bus was cancelled. You should all be so proud of your children, who have also shown patience and resilience on days that ended up out of the ordinary. It is incredible listening to them talk so matter of factly about the bags they have packed and the escape routes they will take if required, credit goes to you all for being able to have difficult conversations so thoughtfully!

We are also very grateful for our Emergency Services workers and volunteers, of which there are many in our community. You go above and beyond to ensure our safety. Thank you for all you do!
