Robotics Day @ Trawalla

**Friday 20<sup>th</sup> December**

Last day of Term 2:30pm Finish

Welcome back to Term Four.

I hope everyone had a restful and relaxing break, enjoyed some sunshine, and spent quality time with family!

We have lots of exciting activities planned for this term, including MARC Van at Moonambel, Cluster Days at Navarre, school photos, and our swimming program!

**Hats**—During Term 4 students are required to wear a broad rimmed hat while outside and remember to bring a filled water bottle as the weather starts to warm up.

**Absences**— Please notify the school if your child is absent. Our school policy requires parents to communicate with us and provide valid explanations for any absence. Thank you for your cooperation.

We acknowledge and pay respect to the Dja Dja Wurrung people, the past, present and future traditional custodians and Elders of this nation and the continuation of cultural, spiritual and educational practices of Aboriginal and Torres Strait Islander peoples.

# NYPS Bike Track

A big thank you to Billy Corcoran for completing our bike track over the holidays.

Staff and students were very excited to see the new bike track and were eager to try it out!

The students were filled with excitement as they took their first rides, and it was heart-warming to witness their joy. They've expressed their experiences in some amazing writing pieces that highlight their creativity and enthusiasm. It was a truly unforgettable way to kick off the term!

On the first day of Term Four, I saw our newly made bike track at the back of the school ground. It looked so much fun that I really wanted to get my bike and try it for myself. But I had to wait because it was school time. So, I went to class! When it was recess, I got my helmet and my bike and rode to the bike track. I spent all recess riding around the track. The humps were a challenge. It was refreshing speeding through the cool wind. I love our new bike track.

When I arrived at school, I immediately wanted to get my bike out and ride it on the bike track. I felt so excited! At play time I rushed out to go on the bike track. I was speechless. I'm riding around the track, doing records. My fastest record is 42 seconds to complete 1 lap.

When we arrived at school, I hopped off the bus and saw our new bike track. Wow! I couldn't wait to ride on it. At play time I raced outside, put on my helmet, and hopped on my bike. I rode as fast as I could around the track. I sped over the humps, around the corners and up the big hill. It was amazing!

# Daniher's Dash

Students travelled to Avoca to support the Fight MND community event. They witnessed the ice bucket challenge and enjoyed a delightful morning tea, followed by a tasty sausage sizzle for lunch.

They then headed to the Avoca library, where they enjoyed playing board games before making their way to the park.

They made a stop at the Chinese Garden before heading back to school.

# Upcoming Event

Natte Yallock Primary School
