Thank You, Rotary Club of Maryborough!

A big thank you to **Alison Teese**, a representative from the Rotary Club of Maryborough, for including Natte Yallock Primary School in Rotary's wonderful Book Program!

Alison visited our school to deliver a special book to each of our students. Our students were very excited to choose their book and take it home to enjoy.

This is such a wonderful program that encourages a love of reading and helps build home libraries for our students.

We are incredibly grateful to the **Rotary Club of Maryborough** for their generosity and for supporting our students in such a meaningful way.

Thank you for helping us continue to inspire a love of reading!

We acknowledge and pay respect to the Dja Dja Wurrung people,
the past, present and future traditional custodians and Elders of this nation and the continuation of cultural, spiritual and educational practices of Aboriginal and Torres Straight Islander peoples.

Supervision Notification

Student safety at Natte Yallock Primary School is our highest priority and the safe and appropriate supervision of students is an important element of our duty of care to students. Part of this duty is ensuring parents and students are aware of our student supervision arrangements before and after school.

Before school: School grounds are supervised from 8:30am onwards.

After school: School grounds are supervised up until 3:30pm.

Students on school grounds outside these times will **not** be supervised (unless they are attending a before or after school care program or supervised extracurricular activity).

For a copy of our school's Yard Duty and Supervision Policy visit our school website. This policy includes Natte Yallock Primary School's student supervision arrangements across the school day, including before and after school.

Multicultural Diversity and Inclusion

At Natte Yallock Primary School we value the diversity of culture, ethnicity, and faith of all our students. We are proud of our diversity, and everyone is welcome at our school.

Celebrating the diversity of our community makes us stronger, kinder and more innovative. We are committed to making sure that students from all backgrounds feel accepted, supported and able to learn.

We teach all students according to our school values and teach the respectful relationships framework. This includes education around diversity and inclusion.

To achieve our values and aims, everyone at Natte Yallock Primary School plays an important role.

We have reminded students of our values of Kindness, Respect and Excellence, and the importance of using these in everything we do.

To help us make Natte Yallock Primary School a place where everyone feels welcome, respected and supported, we encourage you to also speak to your child about these values, as well as the importance of:

- understanding that we celebrate diversity and multicultural inclusion
- understanding the importance of everyone at school being treated with respect.

For more information, please see Racism: talking with children and teens, Raising Children Network.

We expect families to also display our school values when dealing with other members of our school community.

September Spotlight

Father's Day Celebration

We welcomed our wonderful dads, Poppy's and Pa's to school for a special Father's Day afternoon. Students enjoyed making reusable bags from old T-shirts, launching seed bombs and sharing a delicious afternoon tea with their special visitors.

Emergency Services Day

We attended the Emergency Services Day at Talbot Primary School again this year. Our students enjoyed learning about four different emergency services, hearing about the important work they do in our community and exploring some of the equipment they use.
